COLESHILL REMEMBERS

At the eleventh hour, on the eleventh day of November, Coleshill joined the rest of the nation to remember the fallen of the conflicts. Our house captains came to the remembrance service at Coleshill

church to represent the school and lay our wreath at the war memorial.

As the wreaths were being laid poppy petals cascaded down from the bell tower and created a memorable scene on the 100th anniversary of the end of the First World War.

Thank you to our house captains and their families who took time to bring them to perform this honour.

REMEMBRANCE POETRY AT THE SENIOR SCHOOL

Four of our young writers took part in a cross-school assembly at the secondary school last Friday.

The children had already taken part in two poetry workshop sessions at Water Orton Primary School in preparation for the event.

Each had produced an excellent poem about a young soldier who had gone to war as a 15 year old and been tragically killed.

NC was privileged to get to read her poem out to the whole congregation of dignitaries and members of our local community. Well done to all four!

Next week is the well-awaited Pop-Up Prayer Space! Next week our library is going to be transformed into an enticing room of activities all focused around 'The Lord's Prayer'. All classes will be visiting the Prayer Space and even going to the church for some activities. At breaks and lunch it will be run by our Worship Council volunteers and Miss Goodfellow, and will also be open after

school for parents and family members for half an hour. Please take the time to experience the activities with your children. Here are some responses from the previous one: "I loved being in there. I just felt so calm." "My child loved it and kept asking me to come." "Such a lovely environment for the children to be immersed in."
