A FUN FUND-RAISING FINALE!

The final act of our week's fundraising for toilets for some of the world's poorest people in Africa and Asia saw teachers taking part in the Make a Mummy Challenge.

Originally it was Miss Goodfellow's brainchild to help raise more money to reach our target. Teachers were to be 'volunteered' to become a Mummy if children could raise enough sponsorship but as you had already supported the cake sale so fantastically, teachers decided to do it anyway—for free!

Thank you to everyone who bought a

cake (or provided the funds for a cake to be bought). Over the week we managed to raise an amazing **£500**. This will go towards building 2 toilet blocks in schools—way above and beyond what we had hoped.

Commitment to charity work is one of the ways in which we show 'Courageous Advocacy' an important element of the Church of England's vision for education.

Colehill's Values relate to all of our School Community

The school has received reports this week of inappropriate and anti-social behaviour between parents on the playground.

This has been completely non-school related, triggered by private social media arguments that have escalated and resulted in bad feeling and inappropriate conversations being witnessed at school. May I remind parents of their responsibility to model behaviour that reflects the values of our school.

Our children know that respect and self-control are fundamental elements of a happy and successful community and it is very confusing when they see this being contradicted by their parents or carers.

A parent's behaviour, both online and in the real world, will have more influence on how their child behaves than any other factor.

As the recent Warwickshire County Council road safety campaign underlined, our children pick up our bad habits as well as our good ones.

Below are example messages from their campaign—
