## TIMES TABLES ROCKSTARS COMING SOON...

After half term we will be joining hundreds of other schools across the nation when we launch Times tables Rock Stars at Coleshill.

TT Rockstars is an online computer game or mobile device App which gives children exciting challenges to practice their times tables.

Why not download the App in readiness for your child's username and password which they will receive before half term. School holidays can be the perfect opportunity to practice those multiplication and division facts!

### Lunchtime Supervisors?

Thank you to those who have expressed an interest in joining our Lunchtime Supervisor's team. We will be contacting suitable applicants immediately after half term. In the meantime if you would also like to enquire about the positions please ask at the school office.

## PARENTS' EVENING LETTER

Your children brought home a letter yesterday inviting you to our next Parents' Evenings on the first two Wednesdays after half term.

Please select which evening you would prefer to attend (either the early sessions on the 27th Feb or the later ones on 6th March). This is a reversal to the originally advertised times due to unforeseen circumstances.

We will endeavor to give you a time close to your requested time howev-

er preferences will be met on a first come first served basis and slips returned later are therefore less likely to be given first choice times.

Slips will be returned on Friday 15th February confirming your consultation time(s). We look forward to seeing you.

### FUN FEST COLESHILL HOLIDAY CLUB

### Own Clothes Day, Friday 15th February

Wear 'red' for Valentines Day on Friday 15th February. Cost is £1 per child.

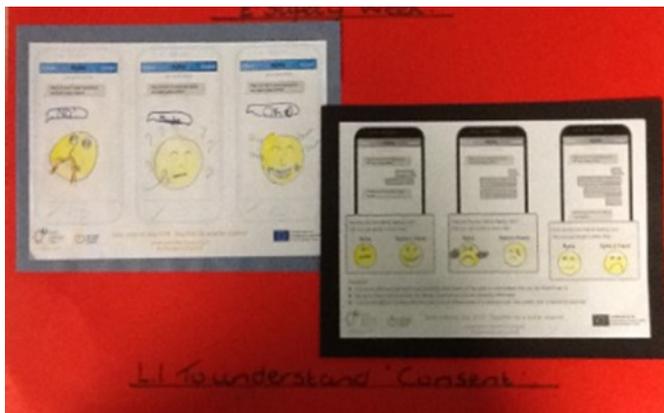

We've had an exciting day this week exploring how to stay safe online, specifically looking at asking permission.

3BM started our online safety day off by performing an assembly for KS1 and KS2. We then had a great time tackling this subject in our classrooms. Some of the things we did are below.

We used drama to find a safe solution in different online situations.

We also thought about kind ways to say no, in circumstances where we didn't feel comfortable.

Key things we learnt were:

Sometimes organisations will ask permission before they do something that might affect you- always ask permission from an adult.

If what you're doing online might affect somebody else, always ask their permission first.

If something makes you worried, uncomfortable or upset its always okay to say no.

Each class or individual made an online pledge :

It would be great if you could carry on having online safety discussions at home!
