Dropping Off

We would like to remind parents in the mornings when dropping off their children that the car park is for staff parking only. The Dropping Off system works well if used correctly however if the system is not used in the proper way and parents are parking up the carpark becomes too congested and children cannot be seen clearly thus creating a safeguarding issue. Our children's safety is paramount so please use the system as it is intended, to drop off children and then drive out of the car park. Your assistance in this matter is greatly appreciated.

Information about the School

Coleshill C of E Primary School is a Voluntary Aided School which means that school places, finance and educational support is either organised or bought from Warwickshire County Council.

Coleshill C of E Primary School is part of the Birmingham Diocese and that authority, through the Parochial Church Council appoints, Governors and members of staff. Being part of the Diocese has the advantage that the school can attract funding from the Department for Education directly for buildings and maintenance.

The Governors have decided to have closer links with the Diocese by applying to join the Birmingham Diocesan Academies Trust.
