## Adam Swims Against Y6 Giants!

**Adam in Y3 had a taste of what it might have been like for David to take on Goliath a few weeks ago when he swam backstroke in a mixed age completion. Adam was mistakenly placed**

## SATs Breakfasts! 8:30am

in the Y5/6 heat and very nearly beat the lot!

Despite taking on children 3 years older Adam amazingly beat all but one competitor and came second. When organisers learned of their error they were so impressed by his swim that they gave him an honorary Y3/4 1st Place Medal in acknowledgement of his achievement.

Well Done Adam!

**As with previous years, we will be running a SATs breakfast club with Y6 opening their doors at 8:30am from 14th May to 17th May.**

Toast and juice will be available for anyone who would like it and the extra 15 minutes will allow nerves to be settled and any last minute questions children have to be answered.

Mrs Bunn and Mr Jolley look forward to seeing your children bright and early and helping them to enjoy a relaxing start to the day.

## Please Cross the road Safely

**George, our very popular road crossing lollipop-man, has made a heartfelt plea to parents to use the service he provides—even if it means a few extra paces to reach the crossing point.**

He has brought to our attention two incidents last week where children not using the lollipop crossing had near misses with passing traffic.

So please use the crossing and say hello to George—he'll even give you a high-five on your way across if you ask him!

## Chicken Pox Alert!

We have had several cases of chicken pox in school recently. Please be aware and check for this if your child begins to feel unwell.

Mobile phones are fantastic tools for parents who want to be able to contact their older children as they make their way to and from school independently. If your child brings a phone to school, please can you ensure that you complete a permission slip which is available at the office or from your child's class teacher.

## School Uniform Purchases: Advanced Notice

**Watch out for exciting news from the PTA regarding new school uniform purchasing methods!**

**The PTA is investigating new ways for the school to support parents in purchasing children's uniforms for September 2018.**

Several different companies have been contacted to see who can provide the best value for money embroidered products with an online home delivery service. The aim is to move across to an online home

delivery service in time for the new academic year.

It is hoped this will give parents the greater convenience of ordering at home

and having it delivered to their door.

Please look out for further details as and when they are published.

## GDPR: Class lists

**Most of us will have heard about the new Data Protection law coming into force in 25th May (it's the reason why we are all being bombarded with emails requesting us to re-sign up to mailing lists).**

This has far reaching effects on big business but also effects the way schools handle personal data. Unfortunately, one thing that is affected is

the simple action of handing out class lists which might previously have been given to parents of children who wanted, for example, to write out Christmas cards or invites to a party.

We apologise in advance for no longer being able to do this.
