Summer Fayre Countdown: 15 days to go!

There are only 15 days to go before the Summer Fayre 2018.

We will certainly know it around school thanks to the successful entrants to our poster competition.

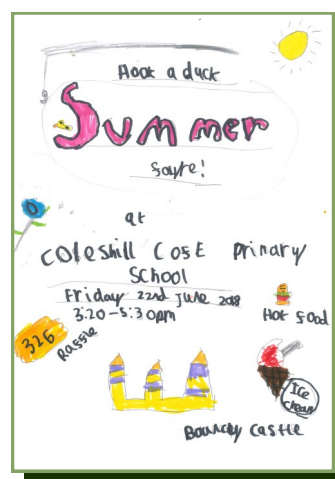

The judges from the PTFA found it too difficult to pick just one winner, so it was decided to give three of our children the poster glory! The colourful winners are below.

Well done to Connor (Y4), Kacey and Bella (both Y2) who will be presented with a laminated copy of their design and see their posters around school blown up to A3 size in glorious technicolour!

£££s from Bags 2 School

Many thanks to those of you who provided clothes for our Bags for Schools appeal.

Thanks to your generosity we managed to raise £122 for the PTFA funds. This will add to the different fund raising activities that the PTFA are organising over the coming weeks.

Please see the separate PTFA letter with key dates.

What do you think?

You may have been aware that celebration assemblies have paused for a while.

This half term we will be undertaking a full review of our celebration and behaviour systems. Staff will be consulting with pupils and parents as we look at all aspects of our ethos and expectations.

Parent survey results

Look out over the next couple of weeks as we share some of the key findings from your recent parent survey.

We look forward to the new ideas and fresh approaches that can work alongside the best of what we already have.

If you have thoughts or can share experiences regarding what has worked well (or not so well) for your children in relation to our behaviour policies or celebration opportunities please let us know through our consultation suggestion box in the entrance area. Alternatively, you could talk to your child's classteacher to share your thoughts.

RAFFLE TICKETS

Thank you to all of you who are busily selling Summer Fayre raffle tickets to help raise funds for the School.

If you have successfully sold your first batch, please make use of the 'Request for more Raffle Tickets' letter and we will get back to you asap with your next batch.

School Uniform Joins Brigade

After several weeks of researching and sifting through samples the PTFA have decided upon a new supplier for uniform for 2018-19.

The on-line supplier Brigade has been chosen to supply our uniform for next year.

Brigade will be attending our transition day meetings on the 5th July to talk to parents

about how to purchase items and prices and delivery. Our new uniforms will have the updated logo on it, however please be assured that previously purchased items with the old logo are still school uniform! Stock which is currently held by the school containing the old logo will be sold at a reduced price to clear items at the summer fair.

There will also be the sale of 'Pre-loved' items at the Fayre - we thank all parents who have donated their 'old but still in great condition' uniform to be reused.

Advanced notice: Break-time snacks and drinks

Standards for all food served in schools came into force in January 2015. This included foods provided outside of lunchtimes.

Whereas deserts, cakes and biscuits (which do not contain confectionary) may be served as part of a balanced lunchtime meal, schools are not permitted to provide them as break-time snacks.

Similarly, due to the impact of fruit juice on developing teeth, drink portion sizes should be limited to 150ml.

Unfortunately, our current practice of providing biscuits and 200ml juice boxes does not meet either of these requirements. Therefore, from September we will no longer be able to provide these.

We will give you further information regarding alternative solutions to break-time snacks before the new school year.
