SEND Information drop-in and coffee morning Wednesday 4th December 9am

Mrs Hughes will be hosting a drop-in session on Wednesday 4th December from 9am. A brief overview of Special Education Needs and Disabilities (SEND) practices within the school will be presented at 9am followed by tea and coffee. During this time you can sign-up to meet Mrs Hughes, or a member of the SENCO team, and have a quick chat about your child and any queries/concerns you may have. There will be an opportunity to suggest what you would like support with in the future and it will give you chance to meet and chat to other parents regarding SEND.

**Please can you email the school office if you will be attending.
admin3586@we-learn.com**

Brigade, our uniform supplier, is offering a huge 20% discount on all orders placed during their Black Friday event from 29th November to 2nd December.

Please visit www.brigade.uk.com, select the correct school and place your order using the promotional code: BCBLACK19.

You can also register with Brigade via <http://eepurl.com/WIbln> to ensure you don't miss out on any future offers and promotions.

Controlling tech time

And there are tactics you can put in place to help manage their screen time....

1. Set a good example
2. Talk together about the time spent online
3. Agree on appropriate length of time they can use their device
4. Get the whole family to unplug & create screen free zones
5. Use technology / apps to help manage screen time e.g. Forest App

**Decorate and fill a jar with sweets to be sold
at the Christmas Grotto and Market.**

The jar can be decorated in any way you like but it must be all
your own work!

The decorated jar which is judged to be the best in each class will
win a prize. Please remember to label the jar with your name
and class.

Bring your jar in on 10th December 2019.

THANKYOU and GOOD LUCK!

PTA

Christmas Tree Decoration Competition

Get into the festive spirit and make a Christmas tree decoration to hang on the school tree.

Your decoration must be approximately 10cm in length and not too heavy. Use string or a paper clip so it can hang easily on the tree. You can use any materials you want. Please remember to label the decoration with your name and class. It should be all your own work!!!

There will be a winner for each class.

Bring in your decoration on Tuesday 3rd December 2019.

The decoration will be hung on the school tree ready for all to see at the Christmas Grotto and Market.

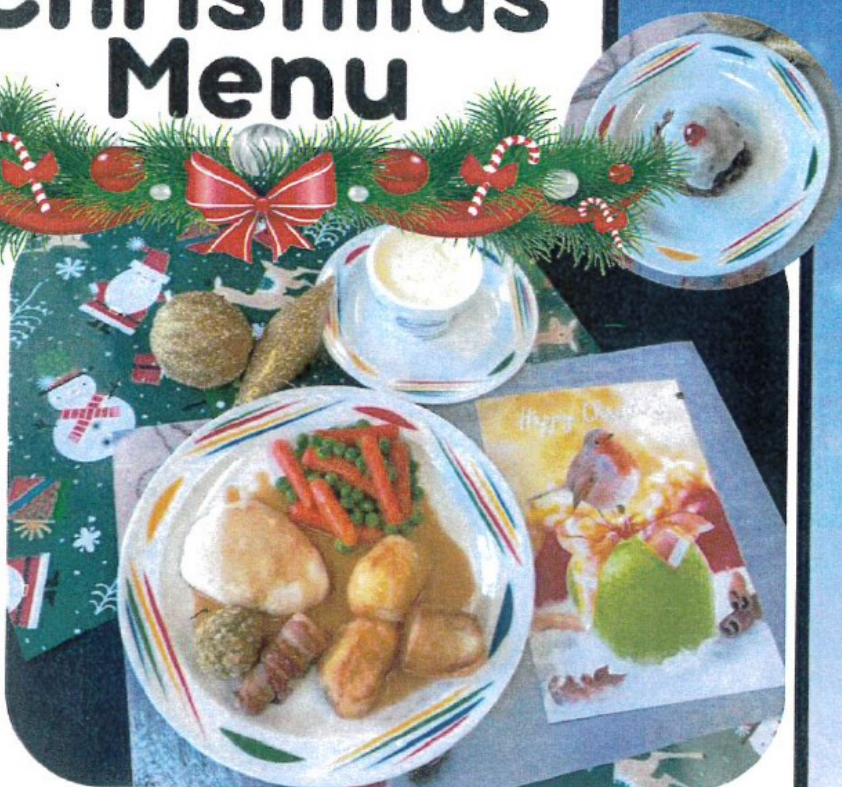

THANK YOU and GOOD LUCK!

PTA

ADVICE FOR PARENTS ABOUT NOROVIRUS from NHS England.

What are the symptoms?

Diarrhoea and vomiting usually lasting 1-2 days

What should you do if your child is unwell?

Make sure they get lots of rest.

Ensure they drink plenty of fluids, taking sips rather than gulps to avoid vomiting.

Give infant Paracetamol or Ibuprofen, according to product instructions, to help keep their temperature down.

If your child is unusually sleepy, won't take fluids or has other symptoms, such as blood in their diarrhoea, an unusual rash, headache, neck stiffness or difficulty breathing, ring NHS Direct (0845 4647), contact your GP or take your child to hospital.

Please ring your child's nursery/school and let them know that your child is ill and what symptoms they have.

Keep them at home until they are well enough to return to school. However, if your child has been suffering from diarrhoea and vomiting keep them at home until they have been free of symptoms for 48 hours.

How can you prevent the spread of these infections?

Handwashing is one of the most important ways to prevent the spread of both of these infections. This applies to the child who is ill and the person looking after them. Hands should always be washed, using liquid soap if possible:

Before and after caring for your child

After using the toilet

Before eating or handling food

After cleaning up a mess

Other ways of preventing the spread of infection are to:

Keep a separate towel for family members who have symptoms

Dispose promptly of used tissues and other items that your child may have coughed or sneezed on

Wash soiled clothing, bed linen and towels in a washing machine. Use the hottest wash for that fabric.

Clean baths and washbasins thoroughly and disinfect after use

If cleaning up diarrhoea or vomit, wash the surface with hot soapy water and disinfect before allowing to dry. If using bleach remember that it can remove the colour from fabrics and can burn the skin.

Please keep your child away from other children and people that are particularly vulnerable e.g. the elderly and those with chronic illnesses.

In addition to the above advice we are sending children home with their water bottles so that they can be washed ready for next week. It is advisable that all children have their own bottles in school each day. Ideally they should go home each night and be re-filled with clean water daily.

Thank you for your support and hopefully we can minimise the spreading of any germs.
