

Week One of Wider School Opening

Preparation for this week's wider opening was a huge challenge for all schools during half term and the weeks before. We are delighted to say however, how well things went this week and in particular send our gratitude to you, our parents and pupils, who have been so respectful of all the new systems in place. It has been a pleasure to begin to welcome back our children, and with your help and support, the challenges presented to us have been overcome. We now look ahead to refining and developing our systems so that even more children can come back safely and happily.

Continued Wider Opening of Schools

As we continue with our plans for wider school opening please see below for details of start and finish times for our bubbles next week.

For Key Worker children, please remember that only those who are booked in with the school (nursery3586@welearn365.com) are able to access a place.

Bubble	Start time	Finish time
Key worker children and those classified vulnerable (Nursery through to Y6)	8:45am	3:15pm
Reception (Miss Jones)	8:45am	3:05pm
Reception (Mrs Millward)	8:55am	3:15pm
Year 1 Miss Wittering	8:45am	2:55pm
Year 1 Miss Jerromes	8:55am	3:05pm
Year 1 Mrs Owen	9:05am	3:15pm
Year 6 Mr Jolley ONLY	9:00am	3:20pm

We have written to parents in Year 6 to explain that from Monday 8th June some of our Year 6 children can begin to return. We look forward to them coming back and showing the same level of diligence towards hygiene and spacing that we have seen from our younger children this week.

Please can we politely remind key worker parents that if they book places for their children and then do not use the place this may be stopping another child attending. If you have booked places that you no longer need please contact Mrs Holt so our group registers can be amended.

<u>PLEASE NOTE: Children's temperature will be taken prior to entering the building. A child presenting with a temperature above 37.9 degrees will not be able to attend and will be asked to return home and parents advised to self-isolate.</u>
