Thank you to all Y5 and Y6 parents who came to our parent information evening on Thursday. As expected it was very well attended.

We have set up a website page under the parents menu tab which will be accessible to the parents of children attending. We will send login details nearer the time. The page will feature updates on the trip and photos of activities.

Please also note that as part of Manor Adventure COVID precautions for 2022, children **are** required to take their own pillow in addition to their pillowcase.

Stars of the Week

Living our School Values

MEAL

We've been thinking about things we have to remember this week because planning for Remembrance Day next week. Our stars have used their memory in some special way this week to help their learning or help our whole school.

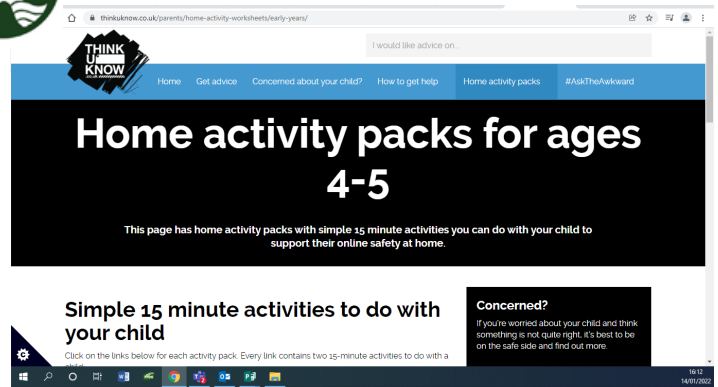

Don't forget to say 'Thank you'!

New Devices for Christmas?

With a lot of children having had new devices over Christmas, we thought it might be timely to share some advice for parents who are new to the world of online safety.

This link is for Early Years parents and includes home activity packs for you to try out with your children to introduce online safety.

Mobile Phones

A reminder that any child bringing a phone into school should hand this into the office **before** coming into school. A permission letter from parents **must also be completed**. This is an important safeguarding measure to make sure your children's property is kept safe and that no mobile phones are in classrooms.

Parking on Digby Road

Please can parents who park on or around Digby Road be mindful of the dropped curbs and narrow pass points. Residents have experienced being blocked into their drive ways or pedestrians being unable to pass safely at points as cars and vans park across the pavements.

Please treat others as you would want to be treated yourself and keep all our families safe as they make their way to school.
