

# Coleshill C of E Primary School

*Inspiring our children to flourish and enjoy 'Life in all its fullness' (John 10:10)*

**NEWSLETTER**

10th June 2022

Volume 5, Issue 35

## Welcome back to the Final Summer Term!

Welcome back to what is a very packed half term. Please check dates and times of events as some may be subject to change as the half term progresses. Let's hope for a sunny and successful last few weeks!

## Parakeet Spotted!

Can you spot the ring-necked parakeet expertly camouflaged in one of our trees?! Read on to find the answer!

**Key Stage 1 (Years 1, 2)**

## Dough disco

Shonette Bason is famous in early years for her 'dough disco' - a fun fine muscle exercise that she invented when she realised the children in her class were struggling to write letters. Our nursery and Reception children love dough disco time, and for the Queen's Platinum Jubilee we joined in with the special jubilee edition. We were pleased Shonette gave us a retweet! You can access lots of resources at home on her website - <https://www.spreadthehappiness.co.uk/dough-disco/>

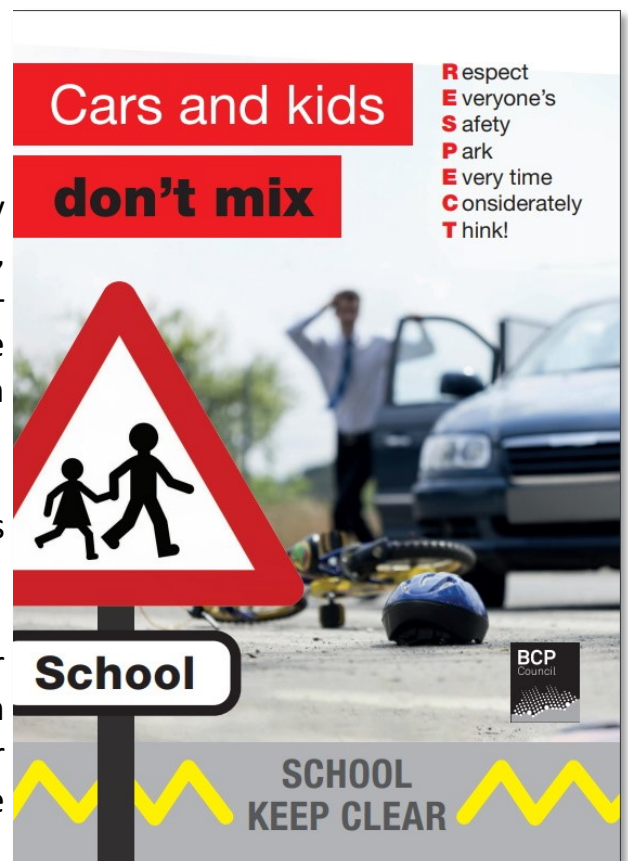

## No stopping on the zig-zag lines—help protect our children!

It has been brought to our attention that too many parents/carers, at either ends of the school day, are stopping and waiting on the zig-zag lines outside the school. This must stop! The lines are there for a reason, and the reason is to keep children safe from road accidents.

Parking on the zig-zag lines outside of the school is dangerous.

Please remember that it is an offence to stop or park on these lines.

# Special Mentions - Our stars of the week!

This Week's Achievers—Well done!

## Football news

Children from Year 3 and 4 took part in the Newton Shield football competition this week.

Our first match against Outwoods finished 1-0, then we won all our other games, beating Woodside 1-0, Racemeadow 3-1, St Edwards 4-0 and Birchwood 4-0 to come second overall. **Well done team!**

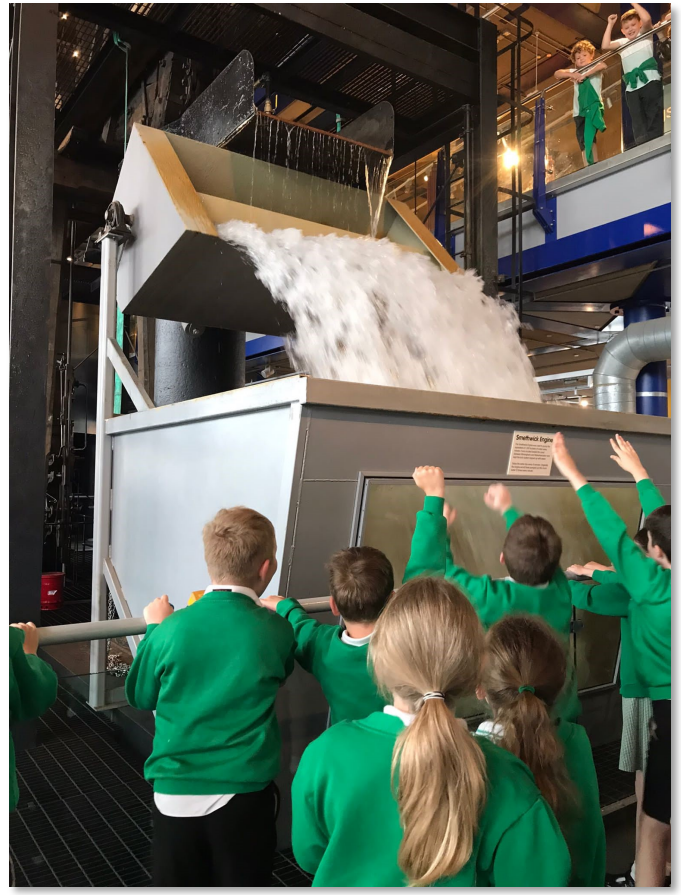

## Year 3 visit to Thinktank

Year 3 children enjoyed a special trip to the Thinktank in Birmingham, where they got the chance to explore all the interactive exhibits to help them with their learning on forces and friction

### Fundraising Efforts—the big snip!

WOW! Freya is cutting her **very long** hair to be used in the making of a real hair wig. Well done for making such a gift. But not just that, Freya and her family would love to raise enough money for the wig to be actually made too. The average cost of making a real hair wig is £550!

It would be great if you could support this good cause by making a donation online at: <https://gofund.me/ddb7894c>
