Worship Council Bring a Peace to Coleshill

This week, Worship Council have been designing and creating 'Calm Jars' for each classroom to add to our Prayer Spaces. We used water, sequins and of course lots of glitter!

These are easy to make at home if you'd like to make some too. Shake them when you're feeling worried or angry and watch the glitter slowly settle to the bottom and say a prayer if you'd like to.

Missing Netball Trophy Returned to Winners!

The missing netball trophy, which mysteriously vanished after we won the Solihull Netball League, was replaced and presented to our victorious team this week.

We are very pleased to add this netball trophy to our collection which is now ours to keep!

Well done to our history makers in green.

Brass band concert

We were delighted to have a special performance from Coleshill Youth Brass, led by our music teacher Steve Fagg.

We have a strong focus on music in school as an important part of our broad and balanced curriculum, and we are always looking for ways to grow the number of young people able to get access to learning music. Details of how children can get involved in an introductory workshop that Coleshill Brass will be holding will be provided.

Year 6 cathedral visit

Some representatives from Year 6 went to Birmingham Cathedral this week for a special BDMAT service to mark the end of their time in primary school.

The service was attended by representatives of all 52 schools in the Birmingham Diocese and featured readings, songs from around the Commonwealth and talks from key members of the Diocese Board of Education and Church of England. Y6 children brought home a candle which they will pass onto the Y5 children at the Leavers Service on the 15th July.

INSET days from September

In September we will have 6 new teachers starting with us. As a result of this large group of teachers new to the school, we will be having 3 INSET days at the beginning of term.

Please note the following days when school will be closed to children.

- Monday 5th September
- Tuesday 6th September
- Wednesday 7th September
- Monday 31st October (BDMAT additional INSET for MAT wide training)
- Monday 3rd January
- Friday May 26th

Earlier starts

A reminder that in September we will be changing our start times to extend the school day to a length which complies with the new government minimum requirement for 32.5 hours per week.

From September 2022, access to the school site will be from **8:30am**, the classroom doors will open at **8:35am** and children must be in class by **8:45am**. Classroom doors will close at 8:45am and children will be marked late if arriving after this time.

Arrive on time by quarter to nine!

Sporting Week

BDMAT Commonwealth Games

Children from Years 1, 2, 3, 4, 5 and 6 took part in BDMAT's Commonwealth Games events this week. Teachers were tasked to select six children from each year group who have excelled in PE this year to represent the school against the 17 other BDMAT schools.

Everyone travelled to Christ Church Secondary Academy to take part in all kinds of athletics events—including javelin, long jump, and running. We were very proud of how well the children represented Coleshill and hope they are proud of the recognition of their achievements in PE.

Sports day

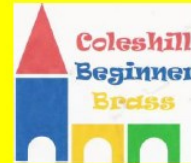

Thank you to the hundreds of parents and family members who have visited the school over the last two weeks to see our sports days. It makes such a difference to our children to have a crowd cheering them on and makes for a very special occasion. On behalf of all of the children at Coleshill THANK YOU!

Dance show

Children from the Dazzlers after school dance club travelled to Nuneaton's Abbey Theatre to take part in the Outwoods Primary School Rising Stars Dance Show.

The dance troop was made up from 19 children out of Year 1—Year 4. They have been perfecting their routine over the weeks at after school club and put on a great show to a packed audience at the theatre. BEST DAY EVER! was the general opinion of the children who took part.

Thank you to Nicki at Dazzlers who has made this experience possible for our children. If your child would like to be part of an after school extra curricular club, please see the office for more information.
