## Year 3 parent workshop

Year 3 had a fantastic afternoon showing their parents all the wonderful learning we have been doing in our Stone Age to Iron Age History topic. We shared our incredible cave paintings and amazing writing. The children and parents enjoyed making spears, Bronze Age jewellery, digging for artefacts and making Stone Henge out of Lego. It was a fantastic turn out! Thank you to all parents who came and joined in with the activities.

## Library books

There are a number of school library books currently 'checked out' and either at home or in book bags. Please could these be returned before the summer holidays.

## Holiday Activities and Food Programme

The Holiday Activities and Food programme (HAF) provides healthy food and enriching activities to children and young people, with free places available for those on free school meals or children with an allocated social worker.

School holidays can be a particularly difficult time for some families. This free holiday club programme helps children to enjoy active and healthy school holidays, where they can experience new activities, meet friends and eat healthy meals.
